

## Interleaved practice

Number:

1. Draw 10 counters arranged as a triangle.

2. Two flowers were growing. Each had 7 petals. How many petals altogether? Draw them.

3. What number comes before 67? **66**

Measurement/Geometry:

4. Draw a picture of a clock face.

5. What day was it before yesterday?

*Tuesday (provided you are answering this on Thursday)*

6. Use triangles and rectangles to draw a building.

*Accept any attempt using triangles, rectangles and circles.*

Chance/Data:

7. Use tally marks to show how many days we have had so far this month, and how many days are yet to come.

*This will vary depending on when you are completing the worksheet.  
Allow your child to use a calendar to work it out.*
