12-month Professional Learning Project

This project improves primary mathematics results for all learners and is suitable for both primary and junior secondary teachers.

As best results are obtained when schools send a small team supported by a leader, free whole-school resourcing and support is provided for these schools*

When: **21+22 Feb, 17 May, 09 Aug and 18+19 Oct**

Where: **Forbes Primary School**
80 Thomas Street, South Plympton SA 5038

Times: 8.00am – 4.00pm each day

Cost: **$1800 per person** (limit of 4 staff per school)

Register: https://backtofrontmaths.com.au/events/SA-PMIP1

* Send 3 or more staff, to allow them to test the approach and hone their schools prior to introducing the approach to the whole school, and receive 12-months whole-school website access and ongoing whole-school webinar access so that you can use the materials and online support for everyone once you are ready.

All individual attendees receive:

• **6 x catered, live-training days:** **21+22 Feb, 17 May, 09 Aug, 18+19 Oct 23**
• **Individual website access** to Back to Front Maths for 2023*
• **Individual access to live webinar sessions,** run twice per term, and ongoing access to the recordings for 2023*
• **Project manual**
• **3 x Interventions Books** (tailored for lower, middle and upper primary)
• **a set of game cards**
• **Access to new Stage Testing and Tracking** (exclusive to Project schools)
• **Exclusive access to new Back-to-Front Maths and Assessment materials for AC9** as they are written, before they are released to the public

All schools also receive:

• **Mentoring support for all attending leaders**
• **A whole-project report** which includes data on progress in key numbers

Optional Extra: Purchase a **Data Analysis Report** for targeted and site-specific recommendations based on an analysis of the patterns in your NAPLAN and PAT M progress data. The analysis begins with calculating growth for every individual student based on their starting score, finds patterns across cohorts and sectors, and provides visual displays of findings for use in annual reports and audits.
