

WA: Designing modelling tasks and statistical investigations hosted by North Harrisdale Primary School on June 16th, 2023

July 17 @ 8:30 am - 3:30 pm

Mathematics Modelling tasks and Investigations

Professional development day for WA teachers
Friday June 16th at North Harrisdale Primary School

*Bring your team to design modelling tasks and
statistical investigations for the Achievement Standards*

Tickets limited to 40

One-day workshop
with Tierney Kennedy

\$350 per person or \$300 per person for a team of 3 or more
(discount will automatically apply during check-out)

***Investigations and modelling tasks are an important part of the WA curriculum,
and an approach which requires significant time and effort from teachers***

What your staff will gain during this professional development day:

Ideal for Year 3 – 9 teachers, this professional development will provide your staff the skills to design and write tasks that match your context, including for multi-aged classes, with matched A-E criteria.

Following the course:

Attendees are supported with exclusive access for 12 months to a bank of modelling tasks and investigations, created by course participants.

Course details:

When: Friday 16th June, 8:30am-3:30pm

Where: North Harrisdale Primary School, 100 Reilly Rd, Harrisdale WA 6112

Cost: \$350 per person, or \$300 per person when you send a team of at least 3 (discount applies automatically on check-out).
