

# Maths Strategies

*With Legs*

By Tierney Kennedy

Tuesday 18<sup>th</sup> July – Venue: Spring Mountain State School  
8:45am – 3:00pm

In maths, some strategies can take us a long way. They are flexible and adaptable, can be used for multiple concepts and help students to retain ideas.

This single day course will introduce you to 9 strategies that can be used to teach the vast majority of concepts in maths up to year 10 level without memorising formulas.

This course is ideal for:

- Essential Maths teachers wanting to help concepts and strategies stick (including multiplication facts)
- Primary teachers wanting to prioritise and know which strategies are more important to spend time on
- Junior secondary teachers wanting to catch kids up quickly.

**Cost:** \$350 p/person includes catering

**Date:** Tuesday, 18<sup>th</sup> July 2023

**Time:** \*8:45 registration  
9:00 – 3:00 course

**Venue:** Spring Mountain State School
